ADVENTIST CHURCH

Rufus B. McDannel, Pastor
Sabbath Scool Lesson No. 1for April 4, 1970
Subject: Heaven's Search and Rescue
Keytext: The Son of man is come to seek and to save that which was lost, Luke 19:10.
The parables which we are studying this week were spoke by Christ to show the love of the heavenly Father in seeking the lost. They include the one lost sheep, the lost coin, and the two lost sons.
The main point of the story about the lost sheep is the world view – there is only one lost planet. It knows it is lost but cannot find its way back. So the shepherd Jesus leaves everything to find it. In the story of the lost coin the coin is not aware of its condition. This applies particularly to children, lost to Christ in our very homes. The coin is stamped with the image of the king, compare Gen. 1:27. Does it cease to be silver though it is lost? The lost coin represents those who are lost in trespasses and sins, but they have no sense of their condition. The shepherd searches the wilderness, the woman her home. The woman in this story well illustrates a mother in the home as well as the maternal church. First she lights a candle to dispel the darkness she carefully sweeps her house. She finally searches diligently and finds the lost coin. Read Luke 15:3-10.
In the third story, each boy has a will of his own –neither appreciates his father's love nor the privileges of his home. Each in his own way rebels against his authority. The patient, solicitious love of the father shines through in brilliant contrast with their selfishness and pride. In the parable of the sheepfold Christ is seen as the only way into peace and fulfillment. As we study these matchless tories let us analize our attitudes and modify them through Christ's grace to comply with our heavenly Father's plan for us.
These parables brings outin distinct lines – God's pitying love for those who are straying from Him, although they have turned away from God. He does not leave them in their misery. He is full of kindness and tender pity toward all who are exposed to the temptations of the artful foe. – Christ's Object Lessons, page 198. Arise and go to your Father. He will meet you a great way off, if you take even one step toward Him in repentance. He will hasten to enfold you in His arms of infinite love, Ibid. page 206.
Think It Through – Am I delaying my complete return to my Father's home and mine?

RURITAN PANCAKE Supper - Saturday

Three Painters and "Superintendent"

There are three energetic painters above, A. A. Bohannon, Carl E. Martin and Anderson Scruggs with Jimmy Rogers (far left) playing the part of the "superintendent." These men, plus Richard Bartelt, Jack Williams, Pete Doss, David Carter, James Carter, Junior Beasley, Robert Carr and Mrs. Richard Bartelt, painted the entire Rescue Squad meeting hall and kitchen in two nights. In the kitchen new cabinet work and curtains complement the brisk white walls. In the main room the color is now an attractive shade of green. There were no accidents with ladders or equipment during this job, and the Squad members urge other handymen and women to be careful with lawn mowers and boats now that spring is here. By the way, Jimmy Rogers worked as hard as any of the volunteers -- his paint brush was out of the camera's eye.

Appomattox Reps Chatham

The Appomattox County High School baseball team exploded for seven hits and seven runs in the first two innings and held Chatham to 7 last Friday at Chatham in a district game. Chandler opened the first inning by reaching base on an error and second baseman Garrett followed with a single. Chandler and before the inning was over Appomattox had scored another run on two hits and two errors. Chandler led off the second inning with a single and Ricky Garrett followed with a home run, Plichy Williams got a single and Steve Gallimore followed with a booming triple to score Williams. Almond scored the fourth run of the inning on a fielder choice. Appomattox scored two runs in the third, two in the sixth, and the seventh for their total of 12.

Chatham scored their runs by one three in the third, two in the fourth and two in the fifth for a total of seven.

There were many stars for the Appomattox team. Shorting Chandler, in addition to the two hits including a long home run turned in some fine fielding plays and had two R. Ricky Garrett went 3 for 3 including two long homeruns and a double and drove in four runs and scoring three. Adams 4 for 5 including a triple and two runs. Steve made a leaping over the left catch of a long drive that at least two Chatham was the outstanding defensive play of the game. Chandler Ricky Garrett also turned in a beautiful double play in the second inning to halt a rally. The outstanding pitching performance of the day was turned in by John Garrett, in relief pitcher Dennis Wilkerson. In the 2 1/3 innings relief John struck out seven Chatham batters.

In getting their 12 runs, Appomattox banged out a total of 9 hits, including two doubles, a triple and three home runs.

Adams led Chatham with two hits including a home run.

Dennis Wilkerson started and pitched 4 2/3 innings for Appomattox giving up five runs and five hits and striking out two and hitting a batter and walking four. Garrett pitched 2 1/3 innings giving up two runs on three hits, walking one and striking out seven. Wilkerson was the winner.

Cobbs pitched for Chatham and allowed all the Appomattox hits and runs and struck out five in taking the lose.

The coaches were pleased with the hitting in the game. They believe Appomattox has as strong a lineup as any team in the district. Coach Thomas said, "The boys are beginning to believe in their own abilities at bat and in the field, They think they can win it all, and so do the coaches. They are taking less pitches this year and are much more aggressive at bat. I hope we can continue to win for the boys sake, they are a great bunch of boys to work with and deserve the best."

The coaches would like to see more parents and students come out and support the team this year. They have erected two sections of bleachers behind home plate for your comfort, and if that isn't enough, another section can be added. All home games start at 4:30 p.m.

The win gave Appomattox a 2-0 won - lost record so far this year.

Impala '400' Sale.

You save when you buy it. You save when you drive it.

When you buy any Impala V8 model during our "400" Sale, here's how you can get two popular extras at no extra charge.

You order your Impala equipped with a Turbo Hydra-matic transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. Items you'd probably order anyway.

Then we add our big 400-cubic-inch V8 at 265 hp that runs on regular gas, along with dual exhausts—both at no charge. (The manufacturer's suggested retail price including Federal excise tax for the regular fuel 400 V8 and dual exhausts is $93.75.)

But that's only the beginning. Because your Chevrolet dealer is really anxious to deal these days.

And the Impala you're buying, of course, got to be America's No. 1 car, because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher.

All of which contributes to Impala's traditionally high resale value, too.

You're getting America's No. 1 car on sale. The car more people buy—year after year after year.

How can you beat that?
